Jesus Fellowship senior leader, Victor Shefford, spoke at the recent Multiply Nigeria Leaders Conference and Reports on a successful visit despite the chaos of a general strike. Amidst violent demonstrations connected with the general strike in Lagos, which saw 16 people killed by the police, the second Multiply Nigeria Leaders Conference was a time of blessing and power. Amazingly, around 120 people attended, from 25 different churches, overcoming the food shortages, demonstrations and empty petrol filling stations. The theme of the day was 'The Church. In the Nations' and contributions came from several of the Multiply Nigeria churches. Overall it was a time of bonding and deepening friendships that have been built up over the past 12 years, as well as an opportunity to bring some support and direction to the 'mother' Glad Tidings Church.
